Important information

1. Pension payment options

If you select an investment option/s for pension payments on this form, your selection only applies to regular pension payments and not any lump sum withdrawals you make. You can choose which option/s you would like your lump sum withdrawals to be taken from when you request the withdrawal.

2. Effective switch date

If a valid Investment switch form P09 is received by LGIAsuper before 5pm on a business day it will take effect on the next business day after the day it is received. For example, a form submitted on Monday before 5pm will take effect on Tuesday. A business day is defined as a day between Monday and Friday which is not an Australian national public holiday. Only one investment switch will be accepted for an account on any given day. See the *Investment choice guide* for more details.

2 Change your pension payment option/s

Fill in this section to change the option that your future pension payments are drawn from.

If you have changed your investment option/s for your existing account balance on the previous page, and do not make a selection below your pension payment will be withdrawn in the same proportions that make up your overall account balance at the time of payment. If you do not wish for this to happen, please make your new selection below.

I wish to change my pension payment option/s as follows:

- Take payments across my investment options in the same proportions that make up my overall account balance at the time of payment.
- Take payments from options specified – complete Option 1 or Option 2 below. For Option 2 the balance of each option will be exhausted before withdrawing from the next option.

Please use whole percentages only. Percentages must total 100%.
