# Important information

## 1. Tax file number (TFN)

Under the *Superannuation Industry (Supervision) Act 1993*, Brighter Super is authorised to collect your TFN, which will only be used for lawful purposes.

These purposes may change in the future as a result of legislative change. Brighter Super may disclose your TFN to another superannuation provider, when your benefits are being transferred, unless you request to the trustee of your superannuation fund in writing that your TFN not be disclosed to any other superannuation provider.

It is not an offence not to quote your TFN. However giving your TFN to your superannuation fund will have the following advantages (which may not otherwise apply):

- Brighter Super will be able to accept all types of contributions to your account/s
- other than the tax that may ordinarily apply, the tax on contributions to your superannuation account/s will not increase
- other than the tax that may ordinarily apply, no additional tax will be deducted when you start drawing down your superannuation benefits
- it will make it much easier to trace different superannuation accounts in your name so that you receive all your superannuation benefits when you retire.

More information on Tax File Numbers for superannuation purposes can be obtained from the ATO on 13 10 20.

## 2. Privacy and personal information

Brighter Super respects your privacy. All personal information collected on this form is protected in line with *Brighter Super's Privacy Policy*. To find out more about how we collect and manage your personal information, please refer to our *Privacy Policy* available from our website [brightersuper.com.au](http://brightersuper.com.au).

## 3. Proof of identification requirements

Australian government legislation requires you to provide us with proof of identification if you are transferring your benefit to your partner's super fund.

To prove your identity, you can provide us with sufficient information to verify your identity electronically or send us an original certified copy of your current driver licence or passport.

From November 2022 all members will be required to supply their driver licence **card number** in addition to their licence number if they wish to have their identity verified electronically.

Your card number is a unique identifier which is updated each time a driver licence is re-issued. Including the card number when verifying your identity ensures that the document being presented is the most recently issued document and this will minimise the risk of identity theft using a stolen or lost driver licence.

The position of the card number is different for each State and Territory although it is commonly located on the back of your licence.

Read the *Proof of identity requirements* information at [brightersuper.com.au](http://brightersuper.com.au) for more information.
