MATES in Energy
Level 1 35 Astor Terrace
Spring Hill QLD 4004

Dear [REDACTED],

Brighter Super and Energy Super are delighted to confirm our ongoing partnership with MATES in Energy. Our Board have approved a partnership for a three-year period to 30 June 2025 with an investment of [REDACTED] + GST per year.

Having been a long-term partner of your organisation we are well aware of the tremendous support you provide to the energy industry, and we look forward to continuing to work with you on suicide prevention and improving mental and financial health for all energy industry workers. We are eager to participate in joint site visits with your team and to provide the opportunity for member facing team to undertake the General Awareness and/or Connector Training to ensure we are doing our part as a participant in the energy industry.

Separate to this letter will be a partnership contract that we will provide for each of the three years of our commitment. This contract is standard with all our energy industry partners and records the required annual deliverables and overviews how our organisations will work together.

At the end of each year, we will review this contract jointly to ensure we have realised the agreed mutual outcomes. At this point we can also make any required adjustments to the deliverables and terms based on the previous year to ensure we are maximising value for our members, MATES in Energy and energy industry workers.

[REDACTED] and I look forward to collaborating with you over the coming years to have a fruitful and positive partnership. [REDACTED] will establish regular communications through monthly meetings and will shortly extend an invitation for you and the Field Officers to come to our office and meet our team. We would benefit from hearing about your current strategic objectives and sharing the MATES in Energy organisational purpose with our broader team.

Yours sincerely,

[REDACTED]

Head of Growth & Relationships
The Brighter Super Group
